## BEST BOOBS LOCATED!

We've long been searching for the best boobs in the world, and it has been a long and tireless pursuit. We've tracked down some lovely ones, some wonky ones, some real ones, some fake ones and some with nipples at such weird positions that the owner's tits looked like Marty Feldman's face. But ex-*Coronation Street* star Helen Flanagan has put herself in the shop window by telling *FHM* Magazine that she's got the best pair of top cunts around. "I have the best boobs I've ever seen on anyone in the world. Ever. They're amazing." Ah, modest as well! Well, we'll be the judge of that Helen – the time for your first *Adult Sport* photoshoot is nigh…

## SPRAY TO DECEMBER!

Courtney Stodden might not be well known in the UK, but here's a primer: When she was 16, she married 51-year-old Doug Hutchison (*The Green Mile*, *24*, lots of direct to video films). So that's why she's famous. She's also an aspiring singer with a number of singles (all cack) and the couple appeared on the TV show *Couples Therapy* as they worked through their marital problems. Now, despite the fact that she hardly ever wears any clothes, Stodden has turned down the chance to make a couple of solo porn scenes for website *panoporn.com*. It has been widely reported that she could have made $5M for the scene, but in fact that was a potential sum if she'd signed a back-end deal (no pun intended). She was actually only offered a fraction of that up front. We don't want to be sniffy about people who are famous for getting married young, being blond and stacked, but it might be the only memorable thing you ever do, love…

## GREAT DANE!

The supermodels definitely had their moment in the late 80's and early 90's. The likes of Cindy Crawford, Naomi Campbell, Christy Turlington and more were household names. And while they've all aged remarkably well, there are few we'd like to get into bed with more than former Miss Denmark Helena Christensen. Even though she won that title back in 1986, the model turned photographer has still got it going on in 2013, something these new photos for *FutureClaw* Magazine (no, us neither) prove beyond a shadow of a doubt. Always one of the sexiest, curviest supermodels, Helena is our idea of a middle age spread!

## Top 10 UK Hotels for Cheating Sex

Website *IllicitEncounters.com* surveyed 6,000 of its unfaithful members to discover which hotels they head to for their extra-marital hook-ups. It revealed that apart from a couple of romantic spots, most unfaithful spouses opt for city hotels. The top 10 are:

**1)** Metropole Hilton, Birmingham
**2)** Old Bank Hotel, Oxford
**3)** The Hide, London
**4)** Best Western Kings' Manor Hotel, Edinburgh
**5)** Renaissance Hotel, Manchester City
**6)** Penta Hotel, Reading
**7)** Hotel Indigo, London
**8)** The Carousel, Blackpool
**9)** Lakeside Hotel, Lake Windermere, Lake District
**10)** Number Four, Stow, Cotswolds

## Most Memorable Sporting Streaks

Streakers: they've got a cheek (or two!) haven't they? Here are three that made headlines around the world and put the streakers firmly into the hall of shame!

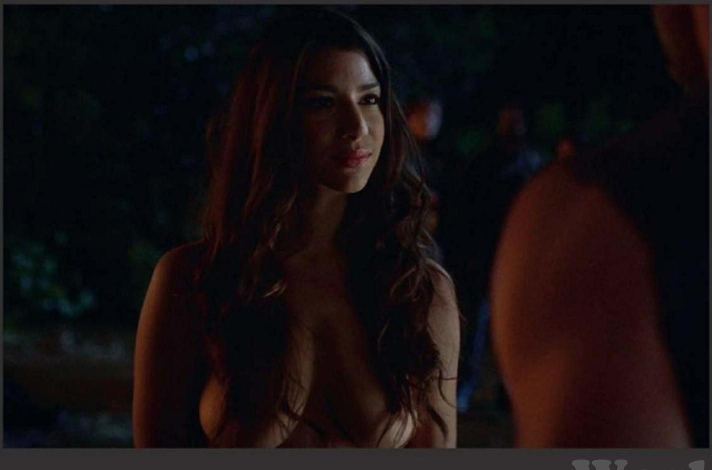
**1)** In 1982, Erica Roe became the first woman to streak at Twickenham during an England v Australia rugby test. She shed her top and exposed her 40 inch bust. Luckily she didn't take a tackle.

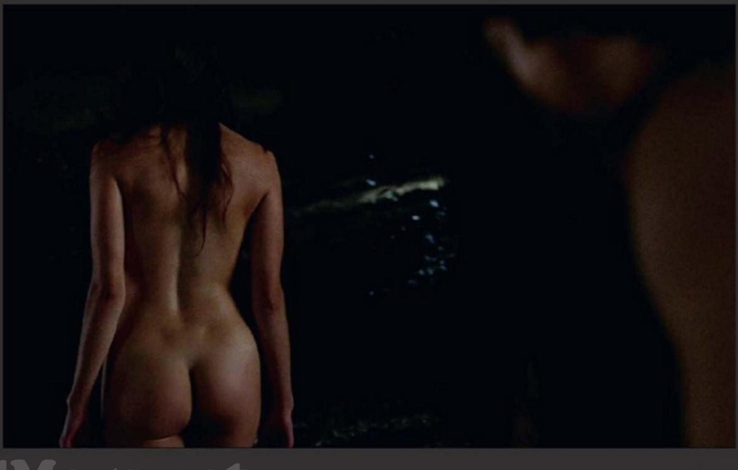
**2)** Michael Angelow was caught at slip after he streaked during the 1975 Ashes test and hurdled the stumps. An image of his famous streak has recently been used as an album cover.

**3)** Jacqui Salmond was one birdie Tiger Woods didn't want to see on the 18th hole. He blamed her for ruining his Open victory celebrations at St Andrews in 2000 as she danced nude around the flag pole.

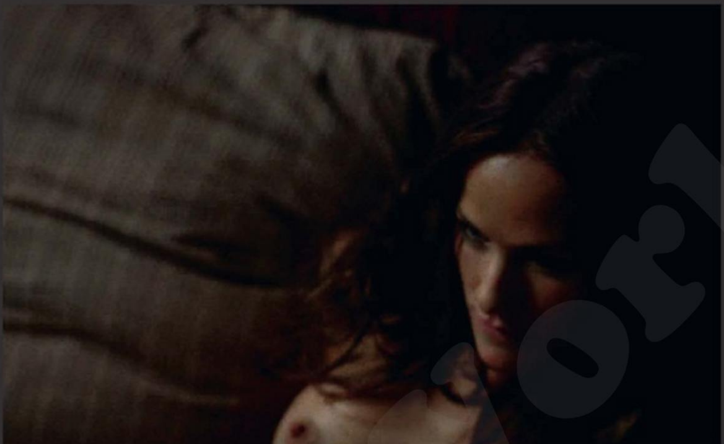
# Fang BANG

We'll be honest, we stopped watching *True Blood* for the drama and plot a long time ago. It went tits up when the witches came in, and shows no signs of recapturing its former glory. But we still watch it for the boobs and bum, with a recent nude turn from Jamie Gray getting us all interested again. It's a long time since Anna Paquin showed us anything though. Sort it out...





# True Blood



# CAYMAN

Cayman, eh? Very exotic indeed. But does Cayman hail from the Cayman Islands? Does she chuff. She hails from Wigan. We reckon she's just got a dark sense of humour and a very active imagination. In fact, we can attest to that imagination after she whispered what she wants to do with a cucumber and a can of whipped cream. Spicy...

## She's No Angel!

# Hot WHEELS

This month our porn legend columnist Angel Long writes a love letter to our four-wheeled friends. And she's no backseat driver…

Hello to my sexy readers of this column, hope we are all well and have been enjoying the nice weather. Damnnnn it has been soooo hot hasn't it, I have been loving it. Lots of outside sex, so naughty knowing you could get caught at any moment. I like to see if I can get naughtier than the last time I was out and about in my car ;-)

Now, those of you that know me, know about my love for cars. I used to be a serious car show whore, I used to go to all the shows and be one of those promo girls. I used to get told off a lot, normally because I was flashing my bits to all the guys walking round the show. I loved it, I wanted them all to see. I remember this one time when this guy that was doing the drifting show and he kept driving up and down past our stand. Well, I just kept flashing my tits, ha ha it got me a free drift ride and then we took him and his car to just to the corner of the show and I did a little wank video in it, I think we made his day!

I've always had a love for car sex. I've been caught so many times in the back of a car, once in London the car was all steamy and there was a knock at the window and it was the old bill… oops, I'm sure they had been watching.

Mr Taylor and I have had quite a few car experiences. Once we had a dogging experience without even meaning to. I was feeling horny so pulled up in this layby, there was a car in it already but we didn't really think anyone was in it. We got in the back and started to get sexy, but I wanted to move what was in the footwell in to the front so turned on the lights inside and then turned it off again. Anyway, the cars a rocking, it's getting all steamy and the next thing you know these lights switch on in front of us, the car then starts moving up to beside us, literally to the point of where I looked up and I could see the guy looking at me. He then reverse parked in front of us, turned his lights off then back on again. I'm not gonna lie, this was all very strange as he could have just pulled up in front of our car. We kinda stopped and went to get out of the car. At which point he drove off. Now, I'm guessing there are certain signals you give in dogging and maybe this is what he was doing. Ha ha, I dunno!

I also like sex in a car when it's moving. You definitely shouldn't do this people because it's very dangerous and if you did get pulled over for it you probably wouldn't be able to say, "Well, Angel Long Does It."

Coming home from London one time I did manage to drive and wank him off on the motorway until he came all over my hand which I then licked up. I know I am very naughty and should be told off for that one. It's much better when he's driving and I can suck him and wank him, at least this means I can give him my full attention. Do any of you guys love outside sex or car sex? Where's the naughtiest place you have had sex? Send me a tweet if you're on twitter, ***www.twitter.com/angel_long*** is my twitter name.

I'm not sure what it is about cars that get me sooooo horny, they just do. I've even had sex with a girl in a car wash, now that was naughty. We got in the back once I had pulled in and we made each other cum with our fingers and tongues. I know that on the top wash you get nine minutes to play with! Ha ha, love it. Hope you enjoyed the read and make sure you tweet me.

***Love u guys xx***

# Reign of PHWOAR!

Tasha Reign has gone from California beach girl to Playboy model to double penetrated porn star in a few amazing years. Adult Sport gets her story first hand…

**What were you doing before and what made you decide to embark on a career in porn?**
**Reign:** I was modelling for *Playboy*, going to UCLA and stripping. I decided that if I was going to do porn I needed to do it now, and I wanted to go balls to the wall.

**How are you different from other girls in the industry?**
**Reign:** I don't know all the other girls in the industry, so I don't want to generalise. What I think is a unique characteristic about myself is that I'm very driven. I like to complete goals I set, and I like to set high ones.

**Is Tasha Reign a stage name, and if so, who or what inspired it?**
**Reign:** Tasha Reign is a stage name, and it was inspired by the first gentlemans' club I ever danced at, Silver Reign. My mom liked the name Tasha and it just went together.

**You began your career as a Playboy Cybergirl, before going on to become a Pet – was that something you had strived for and how important have Playboy been for your career?**
**Reign:** I was first UCLA's Girl of the Pac 10 for *Playboy*'s college issue, then special editions, then, when I tested for Playmate, I got Cybergirl instead. I wanted more and could have tested again because at the time I was hanging out at the Playboy Mansion a lot. I just figured I wasn't going to wait around. I wanted to build a big name and become an adult star, not just a model.

**Do you remember your first magazine shoot?**
**Reign:** Yes, it was for *Playboy*. It was beautiful and perfect – except for a spray tan I got the night before that came out too orange. Other then that I was so thrilled and confident and it felt very natural.

**What was your first scene?**
**Reign:** My first boy/girl scene was for Brazzers; a boy/girl/girl with Xander Corvus and Breanne Benson. I was nervous and awkward for the first batch of all my scenes – not a good start but I have really grown as a performer and as a person so much in the business. It's kind of cool to see the transition.

**Have you done any interesting shoots lately?**
**Reign:** I am on set shooting *The Adventures of Hawkman and Hawkgirl XXX* as we speak, and it's very unique and different. I play Black Canary and I get to wear a tight black catsuit with black tall boots. I cannot wait to see the final product! Comics are awesome and it helps it reach a broader audience.

**Would you consider yourself bi-sexual in 'real life'?**
**Reign:** Yes, I love girls and I'm attracted to blonde ones with big tits! I have always liked women and I continue to explore my sexuality regularly.

**Is there a significant other in your life?**
**Reign:** Not at the moment, but I date around. :) I'm thinking I may try to have a girlfriend since I have never had one before.

**How did your friends react to your career choice?**
**Reign:** I would not say all of them are supportive, but certainly some of them were, and I have now chosen supportive friends, because that's important.

**What have you learned about sex from your adult career so far?**
**Reign:** Unbridled confidence is sexy! It's important to treat your partner like they are the sexiest thing that you have ever laid eyes on.

**Were you sexually active from a young age? When did you lose your virginity?**
**Reign:** I was curious for sure, but I didn't lose my virginity until prom night with a boyfriend. I had the same boyfriend throughout high school and some of college, so I only had sex with him, but I did it a lot!

**Do you have any sexual fantasies that you haven't fulfilled yet, either on film or in your personal life?**
**Reign:** Yes, for sure – tons! I want to do a beach scene soon, and maybe three guys and me, too!

**What type of scenes do you enjoy the most?**
**Reign:** Hmmm… Boy/boy/girl scenes every day, please!

**What's your favourite nasty act?**
**Reign:** Anal! Although I'm waiting for a little while before my first anal film comes out!

My debut anal solo scene is featured in the very first movie being released by my own production company, Reign Productions. The movie is called *Tasha Reign Is Sexy*!

**Is there anything you wouldn't do on film?**
**Reign:** I don't like limits, but I don't see a bukkake in my near future! Ha ha!

**In your opinion, what is good sex?**
**Reign:** A connection and chemistry – and tons of oral and doggy style!

**What do you think you're best at sexually?**
**Reign:** I think I'm good at engaging my partner and paying lots of attention.

**How often do you masturbate?**
**Reign:** Every day. Duh!

**Do you ever cum when you're shooting?**
**Reign:** I always do!

**Are you into group sex?**
**Reign:** Yes if I like the group! Ha ha!

**What's the largest number of blokes you've fucked at one time?**
**Reign:** I have fucked two blokes at a time so far. Hopefully there will be more in my future!

**Honestly now, does size matter to you?**
**Reign:** I think the motion of the ocean matters more than the size.

**What turns you on?**
**Reign:** Hygiene and confidence!

**And what turns you off?**
**Reign:** A negative attitude and bad smelling balls! Ha ha!

**Do you watch porn when you are at home?**
**Reign:** Yes, I do; just the dirtiest more fucked up stuff though. It's always stuff I would never do myself…

**Were you a porn fan before you started out in the sex biz?**
**Reign:** I certainly was. I've always loved masturbating and watching gorgeous women.

**And do you remember what the first porno you ever saw was?**
**Reign:** I think it was something I stole off the internet and snuck from my parents!

**Do you like to have sex to music? If so, what kind?**
**Reign:** Oh hell yes! I love hardcore rap and rock 'n' roll baby! Setting the mood is so important! You can see me review music for *RockConfidential.com* every month.

**Generally in your life are you dominant or submissive?**
**Reign:** I am the boss and like it my way, baby!

**What do you do with yourself, other than shoot porn?**
**Reign:** Hmmm, you know… just sex! Sleep, eating, petting my cat... I like the beach, shopping, sucking cock, the usual!

**You're still a UCLA student – how do you find juggling studying and performing?**
**Reign:** I'm starting to feel a bit overwhelmed. I take breaks from school a lot, but I think education is important to me, so I'll probably be a student for life!

**Do your fellow students ever broach you about your career?**
**Reign:** Yes, sometimes after class with lots of questions.

**Who is your favourite performer that you've worked with? And is there anyone you would like to work with in the future?**
**Reign:** I love working with Danny Mountain because we have great chemistry. Spencer Scott is really hot too; my best friend and perfect porn girl!

**If you were producing your own porn video, who would be in your fantasy cast?**
**Reign:** Mmm… I'd have Ben English, Danny Mountain, James Deen, Keiran Lee and me – gang bang!

**You infamously met (and were photographed) with Bill Clinton – did he know**

**who you were? And is he the most famous person you've met?**
**Reign:** I think he's pretty famous ;) No, I don't think he knew who I was.

**Have you, or would you like to, work in the UK?**
**Reign:** I do on Elite TV. I have before and will probably again in the future; the UK rocks :)

**Would you date a fan?**
**Reign:** Maybe! It would have to depend on the circumstances :)

**What is the strangest thing a fan has done for or to you?**
**Reign:** So many sweet fans! I love the really creative, sentimental stuff like writing my name in the sand on the beach and taking a picture. I love that!

**Do you have any funny on-set stories you can share with our readers?**
**Reign:** Lots of crazy anecdotes, but one sticks out, a girl who drank an enema takes the cake!

**Can you tell us something that your fans would be surprised to learn about you, please?**
**Reign:** I was created in a lab and genetically picked out by mom. :)

**What are your favourite books, shows or films?**
**Reign:** Well, I love the T.V. show, *The O.C.* – the scripted version! *Fifty Shades of Grey* was a cute and entertaining book and *Clueless* and *Mean Girls* are my favourite movies!

**Reign:** My every day life, animals, nature, debates, passion, sex, love and rock 'n' roll.

**What are your plans for the future?**

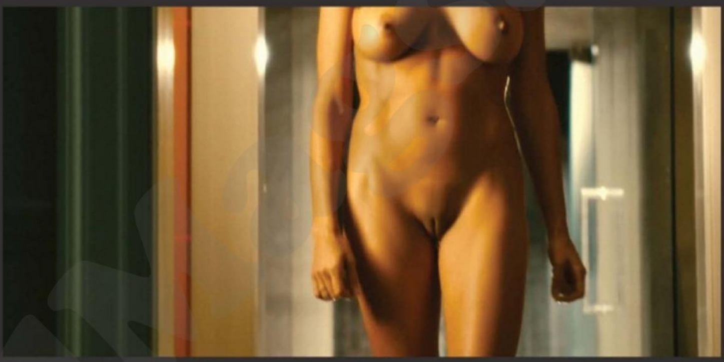
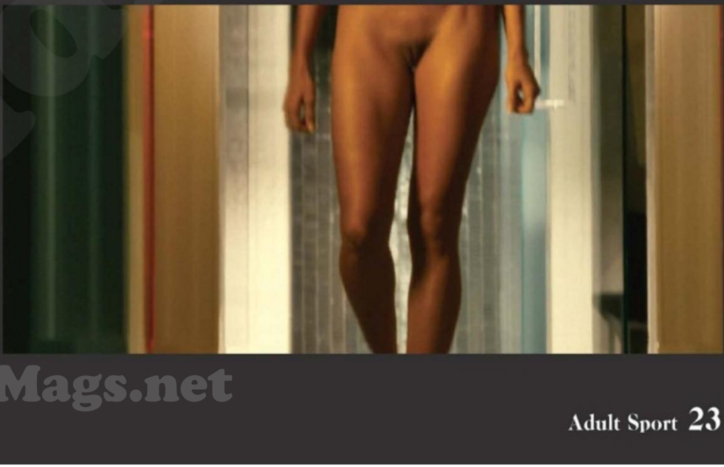
# Rosario DAWSON

Talk about from zero to hero. Rosario Dawson had, hitherto, only teased us with her amazing bod in *Sin City*. But in new Danny Boyle movie *Trance* she stops messing about and goes straight from boobs to box. A very neatly shaven box, we might add. Yup, she's got us in a Trance...





# FAKING it!

In our dreams, this is exactly what our favourite celebs would look like naked. But of course that's all that these photos are, impure figments of our imagination. It doesn't hurt to look though, does it?

# Fancy A RUBY?

Unexpected events can happen at photo-shoots, especially when you're not prepared for something out of the ordinary. When you've been in the business for a while, like little old me, you get used to the regularity of the job – you show up, get your make-up plastered on, fuck, suck and lick till you're exhausted, take your pay cheque, go home to a glass of wine, a DVD and a yapping puppy (okay, maybe that's just me, but you get the picture). But there are some days that buck the trend, and they don't come around often enough, but when they do you get knocked off your feet and remember why the hell you got involved in this industry in the first place. I wanna tell you about one such day.

It was November, and it was chilly. I was booked to show up at 10am, and unlike some of the nasty little skanks you get in the biz, I pride myself on my professionalism. Showing up at twelve-thirty with a pretty mean hangover, I got taken to one side by the director (who let me tell you right now is already finding it hard to get work again after I dragged his name through the mud) and given what I believe you people call "a bollocking".

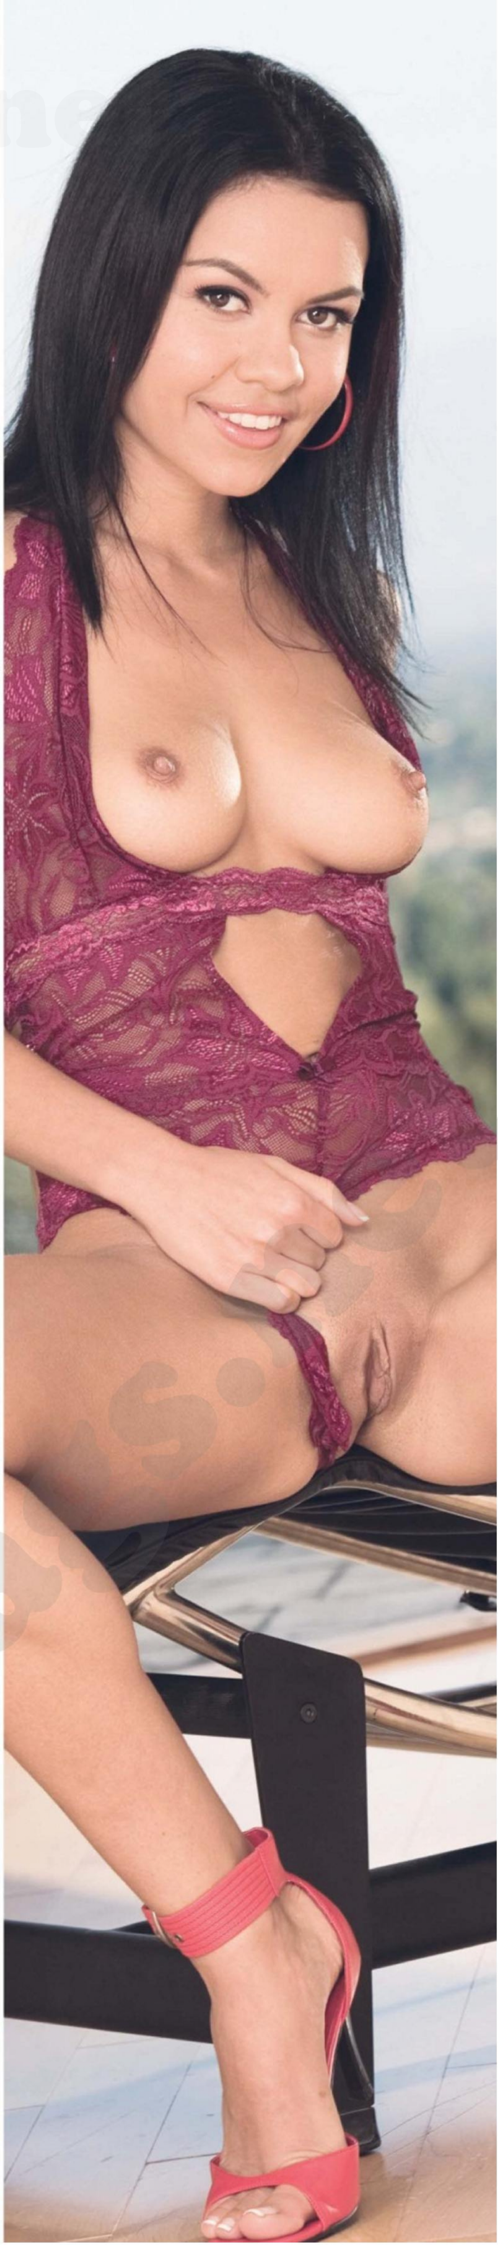
He proceeded to chew me out (not literally – I'm getting to that bit) in front of the crew, as well as the couple I was due to be creating a threesome with on camera. Everyone was looking at their shoes, and I have to say my fragile state of mind (alcohol-related) led to a few tears on my part. That didn't shut Spielberg up, he just kept shouting at me for wasting everyone's time, shoved me around and told me to get into make-up. Prick. So anyway, I got myself together, joined the couple – Steve and Katie – on set, and prepared for the scene.

It was kinda weird, I have to say. Steve and Katie are a genuine couple who only perform together, as they've been married for five years. I think they're pretty popular on the web, they've got their own site which they run themselves, and this was the first time they'd ever done a scene with anyone else. I could immediately sense that Steve was pretty excited about this – carte blanche to stick his dick in another woman (and a pretty hot one, I'm sure you'll agree) under the approving eye of his wife (who's gonna be busily sucking on that woman's tits while he drills her). Yeah, I know what you're thinking – lucky fucker. But I could also sense that wifey wasn't 100% keen on what was about to go down. She looked pretty apprehensive about the whole thing, although I caught her checking my curves out while I stripped down to my lacy underwear.

The minimal crew and cunt director took their positions on set, and the three of us ploughed through some dopey dialogue about me being the new neighbour and catching them in the middle of a bunk-up, and being asked to join in. Within minutes, I was with Steve and Katie on the bed, running my hand up Katie's thigh as she pulled away from her hubbie to check me out.

Let me tell you about Katie – she has long, blonde hair (straight) and a pert pair of tits. If she was taller than five foot, you'd have sent her down a catwalk in the coolest clothes, but cos she's short she wound up in porn. But yeah, as much as I like cock, my thoughts were on getting my hands on this gorgeous chick (also, cock can be a bit daunting when you're hungover, believe me).

Steve watched, his dick twitching happily, as I pulled his already-nude wife close to me and forced her hands all over my body. I could feel my pussy juice up immediately as I saw the effect I was having on her. It struck me as her hands pulled my knickers down over my bum, stopping to stroke my freshly-shaved cunt as they went, that if they'd only worked with each other over the past few



years, then her experience with girls would have been pretty limited. I laughed about this in my head as I pictured what I'd been up to the night before (which involved burying my tongue in the snatch of a total stranger in the toilets of the club I was in till 4am) but I stopped laughing as soon as Katie pushed me back on the bed and buried her tongue in my hole.

Shit, that felt good – all thoughts of hangover were eradicated as I lay back and got a proper licking-out. Yeah, she wasn't faking for the camera, she really wanted to taste me and make me cum, and I wasn't going to stop her. And neither was Steve. For a guy with a cock that looked like it was about to burst, he was holding back at the frankly wondrous sight of his wife getting it on with a professional porn slut. Sure, he was tugging the meat but I was quite surprised he wasn't sticking it in my mouth (and a little annoyed too – I love having an orgasm with a mouthful of hard dick, and it just doesn't happen often enough).

It was around this time that I noticed something weird. I was moaning and groaning, and I guess the noise must have cancelled out everything else, but I opened my eyes just as I was about to climax and I saw the director leaning over me with a face like thunder. Katie stopped licking, I sat up, and Steve (in a daze) clutched his twitching boner. "The crew fucked off ten minutes ago," snarled the director. "We had to give back all the camera kit – it was on loan. You're fired, the three of you. Cunts." He

stormed off, out of our lives (and out of the biz too, if my gossiping has done its job).

Realising we were alone on the set, I looked over to Steve and Katie, wondering if they'd wanna carry on now that the shoot was over, and none of us were getting paid. Steve was still hard, Katie had a look in her eye that meant only one thing – my pussy tastes sweet and she wanted some more of it.

I lay back and she parted my lips again and started working my clit with her tongue. This time, Steve didn't hold back – I got my wish. With his bulging dick in my mouth, I lay on my back and felt a huge orgasm rock my body, Katie running her hands up my body to clutch my tits as she lapped between my thighs. Poor Steve couldn't hold back. I groaned and bucked with his dick firmly between my lips, and I felt the salty rush of his spunk squirting straight down my throat, not even touching the sides. He held his wife's hand on my boob as he came, which I thought was sweet, and it took a good couple of minutes for he and I to regain our composure.

I sat up, wiped the last drop of his cum from my lips and looked at Katie, her lipstick smeared around her mouth. Like I said, she could have been a catwalk model with those looks. I can't tell you how glad I am that she wound up in my profession instead. It was her turn, and I couldn't wait to return the favour. No time to tell you about it now – let's hope they get me back in these pages again soon so I can tell you guys what happened next.

# Anna PAQUIN

She's back! It was only on pages 6 and 7 that we were moaning about the lack of Anna Paquin boobage in *True Blood* recently. Clearly she was listening (or reading. Whatever) because in the space of 29 pages she's got them out again. We're still watching it on fast forward, however...

# Legends of PORN

## TIFFANY MYNX

Adult Sport trawls the wank banks to celebrate our formative fuck-fancies...

Some girls do porn for a couple of years and never come back. Some do porn for a short time, disappear, and then re-emerge when other plans don't quite pan out. Tiffany Mynx? She never went away. She started her adult career in 1992 shortly after moving to LA and despite a family life, including kids, her career went from strength to strength. She picked up the 'Best Anal Sex Scene' AVN Award in 1994 and later became 'Buttwoman' for Elegant Angel. She was known for anal, she could do a mean deepthroat, but most of all she was known for her sexual passion on screen, tearing into dick and pussy alike, all with a svelte, unenhanced body.

She was an early internet adopter, and span off into foot fetishism for a while, before having a career renaissance as a gonzo MILF (she's now in her early 40s) who could take massive dicks into her arse. The awards keep coming – she joined the Hall of Fame in 2001 but won another AVN award in 2007 for a scene opposite Manuel Ferrara in *Slave Dolls 2*. One of our favourite porn stars ever with over 400 electric scenes to her name? Most definitely…

**STROKE 29**

**£12.49 FOR 100ML FROM *LOVEHONEY.CO.UK***

This has to be the ultimate in personal lubricant for an amazing wank. The idea is that by stroke 29 – although keeping count is tricky – you'll be ready to blow your load. Squeeze it out and Stroke 29 is a thick, creamy consistency that's white in colour. As it warms up in the hand and with each pump, it melts and thins into a moisturising lotion and should mimic the feeling of other intimate areas. If we're going to get all metrosexual about it, ingredients include coconut oil and aloe vera natural oils.

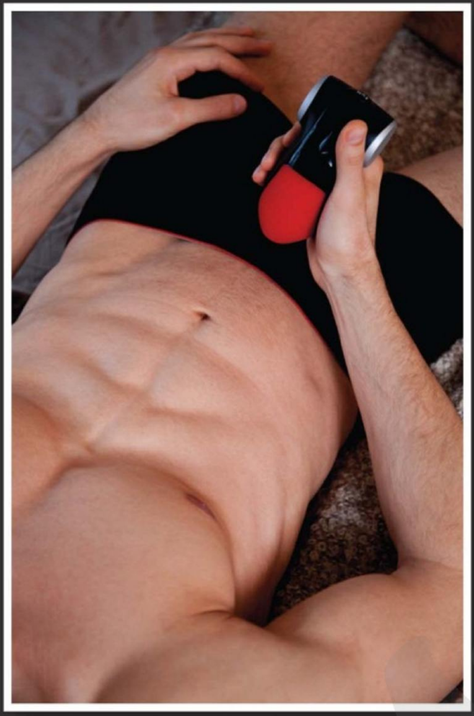
**REVO 2 BY NEXUS AND ANEROS SGX**

**£94.99 AND £36.95 FROM THATPOSITION.COM**

Stimulating your prostate during masturbation can lead to a mind blowing orgasm like no other and these two gadgets know how to hit the P-Spot! For those just starting to probe the prostate, go for the SGX Classic Prostate Massager by Aneros. It's small, slim and designed with the male form in mind, so if sticking something up your bum doesn't sound great, but you're curious, this is a good one to start with. On the other hand, the Revo 2 by Nexus is for the more advanced prostate player. It's both innovative and practical. The longer finger is to be inserted and then rotates internally, while the textured end sits against the perineum and vibrates. Couple one of these treats while spanking the monkey and BAM! You got a recipe for a seriously hard orgasm that will leave you a gibbering mess.



# Stick it in this...

**COBRA LIBRE by Fun Factory**

**€99,00 FROM *FUNFACTORY.COM***

This vibrating sex toy may look weird, but trust us on this. Once you've stuck your man meat in there, you'll wonder if you can ever go back to Mrs Palm and her five daughters.

The Cobra Libre is a vibrating masturbator with two amazingly powerful motors that stimulate the glans (underside, tip of the penis). Designed to stimulate only the head of the penis, rather than the whole length, it means the Cobra Libra is smaller and lighter compared to some larger masturbators, so it's easy to hold. Made from soft silicone, it grips snugly – but not too tight – around the head. Turn it on and you can choose from several vibrating modes using the buttons on the base. Rechargeable, easy to clean and most importantly it's quite for when you need a crafty wank. Use with plenty of water-based lube for a really satisfying feeling.

**TENGA EGG CRATER**

**£9.99 FROM *LOVEHONEY.CO.UK***

When you want to crack one out, but fancy a bit of added texture and stimulation, then use the Tenga Egg Crater. Designed to be worn over the head of the penis, inside this little egg-shaped wank accessory are a series of concave bumps and nodules, which have a sucking effect as you stroke back and forth. The thick elastomer material it's made from is super stretchy, so will fit even the largest of dick heads. The only downside to the Tenga Eggs is that they're one time use only – it's possible to get away with two uses if you use a condom. They're not so expensive though, so great for when you want a tug with added treat/twist.

They're big, they're strong and most importantly they're soft. The perfect tissue for clean up.

Bloody hell, this looks like fun. Where was our invite? We normally look down on lads 'n' lager pool holidays, but running into Yazmin and Tammy would definitely brighten it up. But it seems like they're having plenty of fun on their own – shagging in the pool, shagging next to the pool, shagging nowhere near the pool. Just shagging, basically...

# Spring BREAKERS

We can normally live without the films of Harmony Korine, but he's changed that with *Spring Breakers*. Girls going wild? We're there. The girls are his wife Rachel, plus Selena Gomez, Vanessa Hudgens and Ashley Benson in various states of undress, but almost always in bikinis? We're there with bells on. James Franco playing a pimped out rapper? Not so much...

# DEADLY BLOWS!

## Deadly Women

**Starring**
Jasmine Webb, Liza Del Sierra, Paige Turnah, Samantha Bentley, Cathy Heaven, Danny D, Omar, Ian Tate, Marc Rose, Kane Turner, Jay Snakes.

**Directed By**
Strangelove

**Available From**
Harmony Films

When you see Danny D, his cock fully erect, and you see Liza Del Sierra, her bum lubed up – you know something special is going to happen. Something that defies not only the evidence of your own eyes but all of physics too. Because Danny D's dick, even on the slack, is pretty much the same size as the diminutive Spanish slut's entire body. But the petite Liza would appear to be magic – she can somehow take that huge dick into her tightest hole and still beg for more. It's a Tardis-tushy.

That's the eye-opening and eye-watering scene we first see when we join director Strangelove and the Harmony crew on the set of their latest cracker. As well as Liza and Cathy Heaven handling the Euro quotient, we're also getting a trio of fine Brits in Jasmine Webb, Paige Turnah and Samantha Bentley. Truly, Harmony, with all of these babes getting the stuffing fucked out of them, you are spoiling us.

After Liza's impaling by Danny D, we witness some fine black on black action as Jasmine Webb slobbers all over Omar's still-going-strong bangstick, and then we segue into Sam Bentley in a tryst with Ian Tate. These two clearly love working together – there's palpable chemistry – and he kicks her back doors in before delivering a trademark cum blast. Paige proves that her big bum goes a long way by tackling two tools, and Cathy Heaven ends matters with another stellar anal scene. But next time we see little Liza on set we're going armed with a ruler, protractor and scientific calculator just to work out where she puts all that dick…

# Spermin' GERMANS

Adult Sport casts its net wider than ever to bring you the finest screen sorts from all over the world. This month we're not going to talk about the war…

Look, let's put all that nasty old business out of the way. These days we're all about exporting fit bints...

## DIANE KRUGER

One look at 37-year-old Diane Kruger, and it comes as no surprise to discover she used to be a model. We'd have been fucking shocked if she hadn't. But she's better known as an actress, taking significant toles in *Troy*, *Inglourious Basterds* and both *National Treasure* movies, and she's now in the US remake of the terrific crime drama *The Bridge*. She's from Algermissen in Germany, which sounds like one of those places we wouldn't even bother to bomb (shit, we swore we wouldn't mention the war), and has never been shy about getting her Merkels out. She's completely nude in *Inhale*, *The Age of Ignorance*, *The Target* and *Whatever You Say*, while her topless scenes in *Troy* had us hung like a Trojan horse. Actually, does that even make any sense?

## ELISABETH ROHM

Elisabeth is from Dusseldorf, which we've actually heard of and, we're happy to report, no relation of former National Socialist SA leader Ernst Rohm. Phew. No, instead, this 40-year-old babe (MILF?) is better known as Kate Lockley in *Angel* and Serena Southerlyn in *Law & Order*. It helps that she moved to New York from Dusselforf before she was one. In terms of screen nudity, she's largely kept away from it, until she cropped up in the short lived UK series *Eureka Street*. But then, in 2008, she forgot her modesty again and romped naked in *The Kreutzer Sonata*, sharing numerous explicit sex scenes with Danny Huston. We can't remember Tolstoy mentioning tits and arse in the source novel…

## JULIE K. SMITH

Julie Kristen Smith, 45, was born in Nuremberg in 1967. And if she was put on trial for having amazing boobs and showing them in front of camera at the drop of a hat, she'd be found as guilty as sin. Although they probably wouldn't hang her. Let's not pretend the 1993 Penthouse Pet, whose career has largely been in the States, is troubling the A-list. Yes, she's had a part in *The Last Boy Scout*, but that was blink and you'll miss it. No, her filmography is largely littered with titles like *The Bare Wench Project*, *The Witches of Breastwick*, *Lust Connection*, *Cheerleader Massacre* and *Sorceress II*. But don't worry about the quality of the films, but about the quality of her boobs. And they really are fucking lovely…

## SHERYL LEE

Wow, is Sheryl Lee 46 already? Fuck, that means we're really old as well. It only seems like a few years ago that we were watching her in the brilliant, timeless *Twin Peaks* – from back when there weren't 54 good TV shows on at once – and in *Fire Walk With Me*. And we didn't know she was German either, blimey. Well, she is – born in Augsburg – and since her time as Laura Palmer has carved out a nice career in dozens of films. Dozens of films in which she's more than happy to flash her rack as well. Take a gander at her twin peaks (we couldn't resist, sorry) in 1998's *Kiss The Sky* and *Vampires*, 1997's *The Blood Oranges*, 1994's *Backbeat* and, it almost goes without saying, 1992's *Twin Peaks: Fire Walk With Me*. But we said it anyway.

## SIBEL KEKILLI

Fans of *Game of Thrones* will know all about Sibel Kekilli, the German actress who plays Shae, the prostitute turned partner of Peter Dinklage's brilliant Tyrion Lannister. And they'll have seen her boobs and bum too. But the Heibronn-born actress – of Turkish origin – had made her name back in her home country in a series of roles, most notably in the award-winning *Head On*. But fame came at a price – after her mainstream exposure, a background in hardcore porn surfaced. She'd performed under the name Dilara – anal, cumshots, the lot – in the likes of *Junge Arsche*, *Teeny Exzesse 68* and *Lollipops 16*. We assume Tyrion has got them all on VHS…

# Liv
# TYLER

If we could only tell you two things about Liv Tyler, we'd boil it down to: She's fit as fuck, and she doesn't get her clothes off often enough. Well, she probably does at home, but we mean so we can see. Well, she's finally added to her slender skin CV with 2011's *The Ledge*, playing a Christian wife who finds her naughty side. Just don't leave it ten more years until your next nude scene, please Liv...

SILVIA

ldMags.

How nice of Silvia Saint to invite us out to her holiday home to take some photos. And how nice of her to deliver one of the hottest photo sets in years. And how nice of her to ask us to stay after it got a bit late. And how nice of her to crawl into our bed late at night and treat us to the best sex ever. Okay, some of these things didn't happen...
